

Singapore Workshop on Antennas

02 – 03 November 2026, Singapore

www.swasg.org

CALL FOR EXHIBITION & SPONSHORSHIP

Dear Valued Exhibitors and Sponsors,

We are pleased to announce that the 2026 Singapore Workshop on Antennas (SWA 2026) will be held from 02 to 03 November 2026 at the Shangri-La Rasa Sentosa Singapore.

This specialized workshop is dedicated to the latest advancements in antenna technology, featuring keynote speeches, distinguished lectures, and invited talks from leading experts and emerging talents. Over the course of two days, the event will address key challenges in the antenna community, foster the exchange of insights and findings, and promote collaboration across academia and industry.

SWA 2026 also provides an outstanding opportunity for your company to showcase state-of-the-art hardware, software, technologies, products, services, and solutions on a global stage. As the Exhibition & Sponsorship Chair, I warmly invite you to take part in our exhibition and consider supporting the workshop as a sponsor. Your involvement will ensure unparalleled visibility among influential engineering audiences in wireless communication technologies, offering an ideal platform to promote your company and strengthen your brand recognition.

Our Patronage Package (SGD \$3,000) includes:

- On-site table demonstration
- Complimentary registration
- Company logo placement on workshop materials
- And additional promotional benefits

For more information, please visit the workshop website at <https://www.swasg.org> or contact me directly at thenghuat@nus.edu.sg.

We look forward to your participation in the 2026 Singapore Workshop on Antennas and to engaging with you at this premier event!

Sincerely,

Gan Theng Huat

Exhibition & Sponsorship Chair, SWA 2026
